

Motor Trip Derig

Truck Talk- Trip Leader assigns derig tasks

Arrival at AzRA

Truck Driver parks motor boat(s) on dock, crew removes personal items from truck cab and takes a bathroom break

Trip Leader meets with MOD.
Crew begins motor boat unload.

Trip Leader and Crew derig, power wash motor boat(s) and gear and clean motor kitchen

TL and crew review derig checklist, make note of repairs/needed items and place items to fix in appropriate place

TL and Crew meet with MOD for a Post Trip Debrief Meeting
